Errata (September 2015)

- Before Fact 2.3, replace
    > I.e. if P forces that there is a Q-generic filter over V

    with
    > I.e. if P forces that there is a Q-generic filter G_Q over V such that $V[G_P] = V[G_Q]$;
- Remove the paragraph after Fact 2.3, i.e.,
    > We could ... by Fact 2.3)

    as it is not clear whether the "easily seen" claim is actually correct. In the following two paragraphs, remove
    > (and therefore to strongly preserving as well)

    and
    > (and therefore again equivalent to "P is strongly preserving")

    accordingly.

We are grateful to Diego Alejandro Mejía for pointing out these mistakes.
